

RK MILES ANNOUNCES MARVIN REPLACEMENT WINDOW CONTEST WINNER

RUPERT WINNER CHOSEN BY IN-SHOWROOM VOTE

Manchester Center, VT – June 18, 2013 – Marvin Windows and Doors retailer rk MILES is pleased to announce Vinny and Kim Bushee of Rupert, VT as the winners of its recent \$5,000 Marvin Replacement Window Contest.

The contest invited entrants to explain why their windows and doors needed replacing, with submissions accepted through the month of May. From June 3rd – June 15th, the public was invited to visit the rk MILES Doors & Windows showroom in Manchester Center to cast their votes for the winner. The Bushee's home was chosen as the Grand Prize winner by public vote. They will receive \$5,000 worth of Marvin or Integrity Replacement Windows for their home.

In their contest submission, Kim Bushee explained that they, both Manchester natives, "Were blessed with opportunity to purchase their first home in March." The 1890s Victorian house has not had much updating and their list of projects continues to grow. "In the short time that we've lived there, we have managed to create quite the long list of issues that need to be address and fixed. One of the most important is making our house as energy efficient as possible." She added, "we just welcomed our first child on April 22nd, and it is crucial to us to be able to keep the house at a comfortable temperature for our new little man."

rk MILES Owner Joe Miles said this contest not only provided a great opportunity to help out a family, but it also was a chance to build relationships with potential new customers. "The contest attracted plenty of foot traffic into our Manchester showroom," Miles said. "We were able to have some great conversations with future customers and learn more about what kinds of projects they are working on in their own homes. I was impressed by the amount of entries we received -- that is indicative of the need to provide our neighbors with quality products that can stand the test of time."
