Cabinets shown: IN PlusLine/Quartersawn White Oak/Café

The Woodland Way.

Our Core Values.

*Customer Experience, Quality,
Commitment, Employee Owned, and
Community Orientated*

Woodland Cabinetry is crafted from select hardwoods, handpicked veneers, or premium synthetic materials in the Artizen contemporary world. Our state of the art equipment guided by detailed craftsmen brings your dream kitchen to life.

Woodland Cabinetry offers one of the best finishes in the cabinet industry. Whether you desire our beautiful opaque enamel finish or a stained wood like our premium walnut and quartersawn white oak, Woodland Cabinetry always looks great and withstands the test of time.

Take your project from dreams to reality with cabinetry that is uniquely yours.

Our custom cabinetry affords you a large variety of options, and we want to make it simple for you to find the styles that fit you best.

At Woodland, we know that the essence of quality is in the detail, and for us, no detail is too small. We custom build each cabinetry project upon order and all our finishes are hand applied to achieve the finest handcrafted look.

Natural wood characteristics. The uniqueness of wood is its variation in color and grain pattern. Just as no two trees are alike, no two pieces of wood are alike. Light stains will exhibit greater variation in color due to the underlying wood tones, than darker stains.
